Regional Chairperson's report

**9.1. Discussion and adoption of
Chairperson's report**

**THE ENGINEERING INSTITUTION OF ZAMBIA
NORTHERN REGION 2024 ANNUAL GENERAL MEETING**

CHAIRPERSON'S REPORT

1.0 INTRODUCTION

The Northern Regional Executive Committee was ushered into office on the 19th of March, 2022 as mandated by the EIZ Constitution. The region comprises of five (5) provinces namely; Copperbelt, Luapula, Northern, Muchinga and North-Western. During the period under review, the Region drew its mandate from the EIZ Act No 17 of 2010.

The report covers the period between 19th March 2023 and 16th March 2024. The report highlights the activities that have been implemented during the period under review in line with the strategic objectives of the region and the Institution's strategic plan of 2018 - 2023.

Firstly and foremost, I would like to congratulate my team and our Council on the completion of the Northern Region Engineering House constructed within our tenure. To construct such a marvel in 7 months is a testament of our dedication and commitment to the Institution.

I would like to thank my Regional Executive Committee for their dedicated efforts and huge contribution since we were elected into office in March 2022. The support from the members in the region has also been overwhelming and cannot be taken for granted.

Allow me to share with you the activities undertaken by the Northern Region Executive Committee through our Branches in the year under review.

2.0 2023 ACHIEVEMENTS

During the period under review the Committee achieved the following;

- 2.1 Registered a total of 3,313 members in the Northern Region.
- 2.2 With the formation of the Northern Region Technical Committee, which is responsible for reviewing ERB applications in the North, the Region has seen increased efficiency in issuing ERB cards to our members. The previous processing time, which was 30 days, has since been reduced to 14 days.
- 2.3 The region conducted technical tours in Kitwe, Ndola, Mpika, Chingola and Kasama.
- 2.4 The region also saw the successful relaunch of LTBC Student Chapter
- 2.5 The region also participated in African Engineering week by holding a Mini Expo at Nchanga Golf Club Companies Mulonga Water, Mineral Link, Epiroc, Mimbula Minerals, Sulzer Pumps, KCM and EIZ Secretariat. Chingola Engineering Professionals donated various assorted cleaning toiletries to the Hospital

- 2.6 Successfully held Training workshop for contractors on Cost Estimation of Engineering Works.
- 2.7 The region held CPD fora alongside branch elections in Kalumbila, Mufulira, Solwezi, Ndola, Luanshya branches.
- 2.8 Successfully held a public lecture on Engineering in Zambia: Pioneering Past, Transformative Present and Empowered Future - Unveiling the Zambian Engineers the Vanguard of National Development by Eng. Sydney Matamwandi.
- 2.9 Conducted career talks in all the 7 branches in the region
- 2.10 Ndola branch Inspected works and donated assorted items Ndola Teaching Hospital
- 2.11 The Northern region successfully launched the newly constructed Engineering House regional offices on 14th December, 2023 which was attended by the EIZ President, Eng. Abel Ng'andu and graced by Honorable Ministers Eng. Charles Milupi and Eng. Chipoka Mulenga. The Secretariat has since relocated back to the offices.
- 2.12 The Regional Executive ensure that only members of EIZ participated in the construction of the Kitwe Office.

2.2 REGISTRATION STATISTICS

Secretariat carried out compliance and registrations activities in all five provinces of the region, visiting organizations and units, universities, technical colleges and trade schools. These activities included compliance inspections, new membership registration and renewals.

During the year under the review:

1. Membership and inspectorate units inspected a total number of 2,072 Organisations and units.
2. Registered a total of 2,668 new members on the database
3. Registered a total number of 645 students on our database.
4. Achieved a compliance rate of 73% for Individual Engineering Professionals and 69% for Engineering Organisations and Units.

Within the year, secretariat managed to visit all the provincial centres in Copperbelt, North western, Northern, Luapula, and Muchinga Provinces

3.0 FOCUS FOR 2024

- 3.1 To continue engaging technicians, technologists and all student members to increase their sense of belonging to the institution.

- 3.2 To compel the industry to take up more engineering students on industrial attachment. A consideration for SME firms to come on board to take up engineering students on industrial attachment.
- 3.3 To do joint Inspections with other regulatory bodies such as MSD, NCC, etc.
- 3.4 To continue engaging the various councils on the role of EIZ in CDF projects and have a planned schedule of workshops in each town to encourage entrepreneurial skills among engineers.
- 3.5 Continuous member sensitisation on the use of the online DMIS.
