8.2.1	With regards to providing more awareness regarding the International Engineering Alliance, it was reported that this was being integrated in the forums being conducted and that it was a continuous process and updates would be given from time to time.
8.2.2	With regards to charge out rates, the meeting was informed that the line Ministry had requested Secretariat to review the rates and benchmark them with what was obtaining across the region. This was done and submitted to the Ministry who in turn would table them before cabinet for approval before becoming a Statutory Instrument.
8.2.3	With regards to internship, the meeting noted that most industries were not willing to absorb many students. It was resolved that Secretariat would continue engaging stakeholders, especially government to find a long term and sustainable solution to making internship and mentorship mandatory.
8.2.4	With regards to improving the quality of inspections, the meeting was informed that after various consultations, it was resolved that plans were underway to expose the inspectors to national, regional, and international inspections and that part-time inspectors would be engaged to enhance the inspections.
8.2.5	With regards to accountability mechanisms in place for engineers appointed to various boards and ensuring that they uphold ethical standards, the meeting was informed that all engineering professionals appointed to boards have the professional responsibility to uphold the EIZ code of ethics.

9.0 Regional Chairperson's 2024 Report

9.1 Discussion and adoption of Regional Chairpersons Report

Item	Discussion/Resolution
9.1.1	The Chairperson's report covered the period 23 rd March, 2024 to 15 th March, 2025 and highlighted its achievements and proposed planned activities. It was reported that the region had registered a total of 2,755 new members, representing a performance of 92% achieved against the annual strategic plan target of 3,000, out of which 642 were new students. The region also recorded a compliance rate of 70% for individual engineering professionals and 80% for engineering organisations and units.

THE SOUTHERN REGION ANNUAL GENERAL MEETING PAPERS

THE ENGINEERING INSTITUTION OF ZAMBIA

SOUTHERN REGION 2026 ANNUAL GENERAL MEETING

1. INTRODUCTION

The current Southern Region Executive Committee has served for the past two (2) years, in accordance with the provisions of the EIZ Act No. 17 of 2010. The Region's activities encompass the Lusaka, Central, Eastern, Western, and Southern Provinces of the Republic of Zambia.

I wish to express my sincere appreciation to the Executive Committee for their dedicated service and to the branch executives for their tireless contributions since assuming office.

I would also like to extend heartfelt thanks to all our members for the unwavering support rendered to both the Regional Executive and the Engineering Institution of Zambia (EIZ) as a whole. Your commitment has been instrumental in guiding the affairs of the Institution to this point.

This report covers the period from 15th March 2025 to 28th March 2026. It outlines the key activities undertaken in alignment with the strategic objectives of the Region and the Institution's 2023-2026 Strategic Plan. I am pleased to share with you the progress and achievements of the Southern Region through our various branches.
