THE ENGINEERING INSTITUTION OF ZAMBIA

The **Engineering Registration Board** of the Engineering Insitution of Zambia has approved the following persons and firms for engineering practice as engineering professionals and organisations/ units and they have been issued with Practicing Certificates and Practicing Licenses. The Practicing Licenses are valid up to 31st December, 2026.

The following can be used by all registered Engineering Professionals: a registered engineer is entitled to use the titled Registered Engineer or **'Eng'** or **'REng'**, Registered Technologiest **'RTeg',** Registered Technician **'RTec'**, Registered Craftsperson **'RCra'** after his/her name. As enshrined in the Engineering in Zambia Act No. 17 of 2010, NO person is **ALLOWED** to practice engineering in Zambia **WITHOUT** registration and a valid Practicing certificate. To this effect, those professionals who have not yet renewed their licenses for 2026 or not registered should take this as an official final reminder to avoid any inconveniences. Members of the public and stakeholders alike are encouraged to report any person practicing engineering without registration by calling 3333.
